Is it an emergency? Know before you go.

Visiting an Urgent Care Center for non-emergency treatment can save you time and thousands of dollars per visit.

An **urgent care center** provides quality care like an Emergency Room (ER). You can also get short wait times, extended hours and will be seen by an experienced doctor or nurse.

Considering where to go? Consider these savings:

$196
Average urgent care center cost*

$2,019
Average hospital ER cost*

Is it an emergency?

Use this information to help you decide where to go. When in doubt, call 911.
